Declaration of traceability for Käfer Test Certificates,
valid from April 2008 till April 2009

Dear Sirs,

We hereby certify that all Käfer test certificates have been made by means of Dial Gauge Test Aparatus which are yearly checked.

The measuring systems of our Dial Gauge Test Aparatus have traceable accuracy to the German Calibration Service DKD and / or PTB as per DIN EN ISO 9000.

The actual traceability is achieved by means of the following numbers

H 01 0948 / KOBA / DKD Nr. 86097 –2802 DKD-K-01301-2005-08,
